

**cleanfix**

# KS650 IBC

For indoor and outdoor use: The KS650 IBC walk-behind vacuum sweeper reliably removes dirt and dust from all hard floors. Thanks to its battery operation with an integrated onboard charger, it is ready for use at any time. Its high maneuverability and 5 km/h drive ensure comfortable and effortless operation. The efficient overhead discharge system allows for optimal filling of the dirt container. With the optional carpet kit, the machine is also suitable for cleaning carpeted areas.

Clean. Cleaner. Cleanfix.

# KS650 IBC

cleanfix

Easy removal of dirt container

Lever for raising/lowering side brush

Battery and onboard charger display including excessive discharge protection

## Technical data

Total power	750 W / 12 V
Dirt container volume	35 l
Dirt container weight	25 kg
Working width with side brush	71 cm
Filter area	1,5 m <sup>2</sup>
Productivity rate theoretical with side brush	3525 m <sup>2</sup> /h
without side brush	2525 m <sup>2</sup> /h
Traction drive	infinitely variable
Speed	5,0 km/h
Weight	122 kg (incl. battery)
Dimensions l/w/h	110 / 71 / 72 cm
Item number	065.000

## Scope of delivery

065.142	Discharge signal indicator
065.171	Main brush roller
065.193	Side brush for indoor use
065.199	Onboard charger 12V/9A

## Special accessories

066.092	Gel battery 12 V / 85 Ah (C5)
065.190	Side brush for outdoor use
065.010	Carpet set consists of: Deflector wheel Fibrous sieve Fender guide rail Bail complete Microswitch with cable Various, screw nuts and cable binder

Easy charging

For indoor and outdoor use - the KS650 IBC vacuum sweeper reliably removes dirt and dust from all hard floors.
